**BRING YOUR HARVEST-SUNDAY, Oct 23<sup>rd</sup>, 11 – 2 PM**  
**SHARED POTLUCK & POTLATCH**

Women throughout time have been celebrating & sharing the wealth and wonder of the Earth's Fall Harvest abundance. Here we'll combine gratitude, give-aways, great food and conversation in good company. Sharing together, we'll take time to notice the beauty and quiet of Earth coming to a resting place, and share our own hopes in a safe and sacred council of witnessing women.

Plan to bring fresh organic food to share, your own service and beverage. Give-aways of all kinds are welcome. We'll be contributing to Oregon Food Bank and other organizations in our community.

**Radical Joy For Hard Times**  
**FAMILY FRIENDLY 3<sup>rd</sup> ANNUAL GLOBAL EARTH EXCHANGE**  
**Saturday, June 23<sup>rd</sup>, 2012**

People on every continent will gather at wounded places: clear cut forests, polluted rivers, gas drilling and mountaintop mining sites—places where habitat is challenged or damaged and wounds of Earth are present.

Our intention is to reconcile ourselves with Earth's wounded places through actions that give back to these sites. Plan to join us to offer our stories, songs, dancing, prayers, healing and simple acts of joy and beauty.

We'll gather at the site, explore its woundedness and fashion our individual and shared ways to offer blessings, healings and prayers. An optional potluck will follow as we complete our time together. Stay as long as you like in this transitory community of old and new friends. No electronics or alcohol. Bring water to drink. More details to follow as to exact location and time.

Women, men and children of all ages are welcome at this event!  
Contact Judy Todd 503-260-4995 if you wish to co-facilitate and create this event.
